Your OLLI COMM account.

OLLI COMM is a benefit of membership of OLLI@UGA. Please ensure that you have a current paid-up membership before requesting to join (you can register for membership here).

All new members will receive an invite within two business days of registering for membership. However, if you don't receive an invite, or have been a member for a while and want to get online, follow the steps below.

How to set up your OLLI COMM account.

Follow these three easy steps:

Step 1: Visit the OLLI COMM landing page at olli-uga.mn.co. Click **Request to Join** – either in the upper right corner or just below the middle of the screen.

Step 2: Enter your first and last names, your email address, and a password 6 or more characters long, using a mix of capital and lowercase letters, numbers or special symbols. Be sure to record your password before you proceed. Then click **Create Account**. You can click **Add Profile Photo** now, or click Skip and view our just-in-time video to add your profile photo later. Next, tell us how you heard about OLLI@UGA. Then click **Submit Answers**. Your request to join is now pending approval.

Step 3: Look for an email approving your request to join (you should receive it within a couple of business days). Open the message and click Get Started to go to the landing page. Click **Sign In** in the upper right corner, then enter the username and password you used to create your account. You can sign in on the landing page any time – just visit olli-uga.mn.co.

Once you've signed in, be sure to bookmark the site for easy one-click access in the future.
